

MINOR ATHLETE ABUSE PREVENTION POLICIES (MAAPP)

**[TEMPLATE FOR RECOGNIZED AFFILIATES OF US EQUESTRIAN AND
AFFILIATES OF RECOGNIZED AFFILIATE ASSOCIATIONS]**

THIS PAGE IS INFORMATION & TO BE DELETED BEFORE PUBLISHING POLICY

A. Required Prevention Policies and Implementation

1. Recognized Affiliates of USEF through the Affiliate Agreement with USEF have agreed to develop minor athlete abuse prevention policies to limit one-on-one interactions between a Minor Athlete and an Adult Participant. This template is intended to serve as such and Recognized Affiliates and their affiliated associations are permitted and encouraged to use these as their own. These policies contain the mandatory components required of USEF by the U.S. Center for SafeSport's model policies in Part III. These model policies cover:
 - a. Meetings
 - b. Individual training sessions
 - c. Therapeutic and Recovery Modalities and Manual Therapy
 - d. Locker rooms and changing areas
 - e. Electronic communications
 - f. Transportation
 - g. Lodging and Residential Environments
2. Recognized Affiliates are urged to share these model policies with their affiliates and require them to implement these policies within their organization.
3. Recognized Affiliates must implement these policies for all In-Program Contact.
 - a. At sanctioned events and facilities partially or fully under its jurisdiction, the Organization must take steps to ensure the policies are implemented and followed.
 - b. For In-Program Contact that occurs outside an Organization's sanctioned event or facilities, implementing these policies means:
 - i. Communicating the policies to individuals under its jurisdiction;
 - ii. Establishing a reporting mechanism for violations of the policies;
 - iii. Investigating and enforcing violations of the policies.
4. For reports of misconduct that involve a Participant that is not a USEF member and is not involved in USEF activities, but is involved in Recognized Affiliate activities or competitions recognized by Recognized Affiliate, as agreed to in the Affiliate Agreement, Recognized Affiliate must have a reporting mechanism to accept reports that an Adult Participant is violating Recognized Affiliate's Minor Athlete Abuse Prevention Policies. Recognized Affiliate must appropriately investigate and resolve any reports received, unless the violation is reported to the U.S. Center for SafeSport or USEF and one of them exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

INTRODUCTION

[ORGANIZATION NAME] is committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. The most commonly used terms throughout this document are defined in the Terminology section in the back of this document.

Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the U.S. Center for SafeSport (the “Center”) to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic and Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, certain organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with minor athletes and (2) subject to parental consent, to members who are minors.* 36 U.S.C. § 220542(a)(3). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between a minor athlete and an adult, who is not the minor’s legal guardian. 36 U.S.C. § 220542(a)(2). To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP) upon which these policies are adopted.

What is the MAAPP?

MAAPP is a collection of proactive prevention and training policies. It has four primary components:

1. Organizational Requirements for Education & Training and Prevention Policies;
2. An Education & Training Policy that requires training for certain Adult Participants;
3. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes;
4. Recommended Prevention Policies.

PART I EDUCATION & TRAINING POLICY

A. Mandatory Child Abuse Prevention Training for Adult Participants

1. Adult Participants Required to Complete Training

- a. The following Adult Participants must complete the *SafeSport® Trained* Core Course through the Center's online training:
 - i. Adult Participants who have regular contact with any athlete(s) who is a minor;
 - ii. Adult Participants who have authority over any athlete(s) who is a minor;
- b. Adult Participants who are an employee or board member of [ORGANIZATION NAME];
- c. Adult Participants who are medical providers are required to take training under Section (a) can take the Health Professionals Course in lieu of the *SafeSport® Trained* Core Course.

2. Timing of Training

Adult Participants must complete this training before regular contact with an athlete who is a minor begins or within the first 30 days of either initial membership or upon beginning a new role subjecting the adult to this policy, whichever comes first.

3. Refresher Training

The above-listed Adult Participants must complete a refresher course every 12 months, beginning the calendar year after completing the *SafeSport® Trained* Core Course. Every four years, Adult Participants will complete the *SafeSport® Trained* Core Course training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport® Trained* Core Course and are required to take the refresher courses on an annual basis if they meet the criteria for A(1).

B. Minor Athlete Training Must Be Offered

1. [ORGANIZATION NAME], every 12 months, will offer and, subject to parental consent, give training to minor athletes on the prevention and reporting of child abuse.
2. The Center offers youth courses, located at safesporttrained.org, that meet this requirement.

C. Parent Training Must Be Offered

1. [ORGANIZATION NAME] every 12 months, will offer training to parents on the prevention and reporting of child abuse.
2. The Center offers a parent course, located at safesporttrained.org, that meets this requirement.

D. Optional Training

1. Adult Participants serving in a volunteer capacity, who will **not** have regular contact with or authority over any athlete(s) who is a minor, should take the Center's brief Volunteer Course (or *SafeSport® Trained Core Course*) before engaging or interacting with any minor athlete(s).
2. Parents of minor athletes are provided free online access to the Center's parent course and are encouraged to take the training.

E. Exemptions and Accommodations

The Center's online training courses contain information about various forms of abuse. The courses do not include graphic descriptions of abuse or show violent images or video. The content may be uncomfortable or trigger trauma for some participants.

1. Exemptions to the online training requirement may be requested by survivors of abuse and misconduct. Survivors of abuse can request an exemption by contacting [ORGANIZATION NAME].
2. The Center has several options available to assist individuals in completing the online training courses, including screen reader-compatible versions and course availability in several languages, including English, Spanish, French, Mandarin, Russian, German, and Japanese. If none of the available options will fit the individual's needs, [ORGANIZATION NAME] may determine whether to grant an exemption.

PART II

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

[ORGANIZATION NAME] recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances or with a documented exception.

EXCEPTIONS

There are certain relationships and situations in which one-on-one interactions may be allowed or necessary. This section identifies policy exceptions for close-in-age relationships, Personal Care Assistants, dual relationships, and emergencies.

The following exceptions are applicable within all Required Prevention Policies unless otherwise noted.

A. Mandatory Components

1. A Close-in-Age Exception

The purpose of this exception is to allow for continued relationships among athletes on the same team or in the same barn.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if:

- a. The Adult Participant has **no** authority over the Minor Athlete; and
- b. The Adult Participant is not more than 4 years older (determined by birth date) than the Minor Athlete.

2. Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete

This exception exists for Adult Participants who also assist an athlete with activities of daily living and preparation for athletic participation.

This exception allows for one-on-one In-Program Contact between an Adult Participant and a Minor Athlete if the following requirements are met:

- a. the Minor Athlete’s parent/guardian has provided written consent to the **[ORGANIZATION NAME]** for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
- b. the Adult Participant Personal Care Assistant has complied with the Education & Training Policy.

3. Exceptions for Dual Relationships

This exception allows for one-on-one In-Program Contact when the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually. The consent must identify for which Required Prevention Policies the parent/guardian is allowing the one-on-one In-Program Contact.

4. Emergency Exception

This exception applies to all Required Prevention Policies for situations where an Adult Participant must violate requirement(s) of the MAAPP due to an emergency. Adult Participants must carefully consider whether specific circumstances meet the threshold of “emergency.” Adult Participants should document emergency.

[ORGANIZATION NAME] recommends parents take training on child abuse prevention before providing consent to the above exceptions. The Center offers a free Parent Course at safesporttrained.org.

MODEL POLICY: MEETINGS

Sexual abuse often happens when children are alone with their abusers. This section provides policies for meetings to limit one-on-one interactions between children and adults, including mental health care professionals and licensed health care providers.

A. Mandatory Components

1. Observable and Interruptible
 - a. Adult Participants must ensure that all In-Program meetings with Minor Athletes be observable and interruptible, unless an exception exists.

2. Meetings with licensed mental health care professionals and health care providers (other than athletic trainers¹)

If a licensed mental health care professional, licensed health care provider, or a student under the supervision of a licensed mental health care professional or licensed health care provider, meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under the [ORGANIZATION NAME] jurisdiction, the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is occurring, although the Minor Athlete's identity needs not be disclosed; and
- c. [ORGANIZATION NAME] is notified that the professional or provider will be meeting with a Minor Athlete; and,
- d. The professional or provider obtains consent consistent with applicable laws and ethical standards, which can be withdrawn at any time.

B. Recommended Components

1. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

¹ Athletic trainers who are covered under these policies must follow the “**Manual Therapy and Therapeutic and Recovery Modalities**” policy.

MODEL POLICY: INDIVIDUAL TRAINING SESSIONS

Some abusers will single out athletes for special one-on-one instruction. This kind of isolation provides opportunities for abuse to occur. This section establishes rules for individual training sessions to protect youth athletes from uncomfortable or unsafe situations.

A. Mandatory Components

1. Observable and Interruptible

Adult Participants must ensure all In-Program individual training sessions with a Minor Athlete be observable and interruptible unless an exception exists.

2. Consent

The Adult Participant providing the individual training session must receive advance, written consent from the Minor Athlete's parent/guardian at least annually, which can be withdrawn at any time; and

3. Parent Observation

Parents/guardians must be allowed to observe the individual training session.

B. Recommended Components

1. Monitoring

If a permitted meeting or training session takes place between an Adult Participant(s) and a Minor Athlete(s) at a facility partially or fully under **[ORGANIZATION NAME]** jurisdiction, another Adult Participant will monitor each meeting or training session. Monitoring includes reviewing the parent/guardian consent form, knowing that the meeting or training session is occurring, knowing the approximate planned duration of the meeting or training session, and dropping in on the meeting or training session.

2. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

MODEL POLICY: MANUAL THERAPY AND THERAPEUTIC AND RECOVERY MODALITIES²

Many athletes require therapies to prevent or treat injuries. However, these treatment sessions can place children in vulnerable positions, especially if they involve physical contact with adults. This section establishes standards for therapeutic and recovery modalities and manual therapy to reduce the risk of inappropriate contact between youth and adults.

A. Mandatory Components

Note: Only the emergency exception applies within this policy.

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact during manual therapy and therapeutic modalities and recovery modalities with Minor Athletes must be observable and interruptible.

2. Manual Therapy and Therapeutic and Recovery Modalities Requirements

Adult Participants must ensure all In-Program manual therapy and therapeutic and recovery modalities meet the following requirements:

- a. Have another Adult Participant physically present for the modality or manual therapy; and
- b. Have documented consent as explained in subsection (4) below; and
- c. Be performed with the Minor Athlete fully or partially clothed, ensuring that the breasts, buttocks, groin, or genitals are always covered; and
- d. Allow parents/guardians in the room as an observer, except for competition or training venues that limit credentialing; and
- e. The provider must narrate the steps in the modality before taking them, seeking assent of the Minor Athlete throughout the process.

3. Consent

- a. Providers of manual therapy, therapeutic modalities, or recovery modalities must obtain consent at least annually from Minor Athletes' parents/guardians before providing any manual therapy, therapeutic modalities, or recovery modalities.
- b. Minor Athletes or their parents/guardians can withdraw consent at any time.

² Manual therapy and therapeutic and recovery modalities can include, but are not limited to: first aid, massage, taping, cupping, stretching, cryotherapy, neuromuscular stimulations, electrical stimulation, or other modalities within the scope of a Healthcare Provider's credentials.

B. Recommended Components

1. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to receive a manual therapy, therapeutic modality, or recovery modality.

2. When possible, techniques should be used to reduce physical touch of Minor Athletes.
3. Only licensed providers should administer manual therapy, therapeutic modalities, or recovery modalities.
4. Coaches, regardless of whether they are licensed massage therapists, should not massage Minor Athletes.

MODEL POLICY: LOCKER ROOMS AND CHANGING AREAS

Young athletes may be especially vulnerable to abuse in changing areas where they are undressing and possibly showering. Appropriate monitoring is necessary in these areas to prevent abuse and other inappropriate conduct. This section outlines policies for locker rooms and changing areas to ensure privacy and safety.

A. Mandatory Components

1. Observable and Interruptible

Adult Participants must ensure that all In-Program Contact with Minor Athlete(s) in a locker room, changing area, or similar space where Minor Athlete(s) are present is observable and interruptible, unless an exception exists.

2. Conduct in Locker Rooms, Changing Areas, and Similar Spaces

- a. No Adult Participant or Minor Athlete can use the photographic or recording capabilities of any device in locker rooms, changing areas, or any other area designated as a place for changing clothes or undressing.
- b. Adult Participants must not remove their clothes or behave in a manner that intentionally or recklessly exposes their breasts, buttocks, groin, or genitals to a Minor Athlete in a locker room or changing area.
- c. Adult Participants must not shower with Minor Athletes unless:
 - i. The Adult Participant meets the Close-in-Age Exception; or
 - ii. The shower is part of a pre- or post-activity rinse while wearing swimwear.
- d. Parents/guardians may request in writing that their Minor Athlete(s) not change or shower with Adult Participant(s) during In-Program Contact. **[ORGANIZATION NAME]** and the Adult Participant(s) must abide by this request.

3. Media and Championship Celebrations in Locker Rooms

[ORGANIZATION NAME] may permit recording or photography in locker rooms for the purpose of highlighting a sport or athletic accomplishment if:

- a. Parent/legal guardian consent has been obtained; and
- b. **[ORGANIZATION NAME]** approves the specific instance of recording or photography; and
- c. Two or more Adult Participants are present; and
- d. Everyone is fully clothed.

4. Personal Care Assistants

Adult Participant Personal Care Assistants are permitted to be with and assist Minor Athlete(s) in locker rooms, changing areas, and similar spaces where other Minor Athletes are present, if they meet the requirements detailed on page 14.

5. Availability and Monitoring of Locker Rooms, Changing Areas, and Similar Spaces

- a. [ORGANIZATION NAME] must provide a private or semi-private place for Minor Athletes that need to change clothes or undress at sanctioned events or facilities partially or fully under [ORGANIZATION NAME] jurisdiction.
- b. [ORGANIZATION NAME] must monitor the use of locker rooms, changing areas, and similar spaces to ensure compliance with these policies at sanctioned events or facilities partially or fully under [ORGANIZATION NAME] jurisdiction.

MODEL POLICY: ELECTRONIC COMMUNICATIONS³

Technology has made it easier for teams to communicate and share information. Unfortunately, it also makes it easier for abusers to contact children without supervision or share inappropriate images and video. This section sets standards for appropriate electronic communications between youth and adults.

A. Mandatory Components

1. Open and Transparent

- a. All one-on-one electronic communications between an Adult Participant and a Minor Athlete must be Open and Transparent, unless an exception exists.
- b. “Open and Transparent” means that the Adult Participant copies or includes the Minor Athlete’s parent/guardian, another adult family member of the Minor Athlete, or another Adult Participant on every communication.
 - If a Minor Athlete communicates with the Adult Participant first, the Adult Participant must follow this policy if the Adult Participant responds.
- c. Only platforms that allow for Open and Transparent communication may be used to communicate with Minor Athletes.

2. Team Communication

When an Adult Participant communicates electronically to the entire team or any number of Minor Athletes on the team, the Adult Participant must copy or include the Minor Athletes’ parents/guardians, another adult family member of the Minor Athletes, or another Adult Participant.

3. Content

All electronic communication originating from an Adult Participant(s) to a Minor Athlete(s) must be professional in nature unless an exception exists.

4. Requests to Discontinue

Parents/guardians may request in writing that [**ORGANIZATION NAME**] or an Adult Participant not contact their Minor Athlete through any form of electronic communication. The Organization and the Adult Participant must abide by any request to discontinue, absent emergency circumstances.

³ Electronic communications include, but are not limited to: email, phone calls, videoconferencing, video coaching, texting, social media, or through any other electronic medium.

B. Recommended Components

1. Hours

Electronic communications should generally be sent only between the hours of 8:00 a.m. and 8:00 p.m. local time for the location of the Minor Athlete.

2. Social Media Connections

Adult Participants, except those with a Dual Relationship or who meet the Close-in-Age Exception, are not permitted to have private social media connections with Minor Athletes and should discontinue existing social media connections with Minor Athletes.

MODEL POLICY: TRANSPORTATION

Athletes are often carpooling or traveling without the supervision of their parent/guardian to practices and competitions. This can place them in vulnerable positions where they are susceptible to abuse. This section establishes policies for adults transporting children to or from sport activities.

A. Mandatory Components

1. Observable and Interruptible

Adult participants must ensure that all In-Program Contact during Transportation is Observable and Interruptible unless an exception exists or:

- a. The Adult Participant has advanced, written consent to transport the Minor Athlete one-on-one, obtained at least annually from the Minor Athlete's parent/guardian. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.
- b. The Adult Participant is accompanied by another Adult Participant or at least two minors who are at least 8 years of age.

2. Additional Requirements for Transportation Authorized or Funded by [ORGANIZATION NAME]

- a. Written consent from a Minor Athlete's parent/guardian is required for all transportation authorized or funded by [ORGANIZATION NAME] at least annually.
- b. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

B. Recommended Components

1. Shared or Carpool Travel Arrangement

The Organization encourages parents/guardians to pick up their Minor Athlete first and drop off their Minor Athlete last in any shared or carpool travel arrangement.

2. Parent Training

Parents/guardians receive the U.S. Center for SafeSport education and training on child abuse prevention before providing consent for their Minor Athlete to travel one-on-one with an Adult Participant.

MODEL POLICY: LODGING AND RESIDENTIAL ENVIRONMENTS

Youth athletes traveling overnight face greater risk of sexual abuse if they are traveling without their parent/guardian. Abusers can take advantage of the situation by trying to have unsupervised time alone with children. This section sets rules for sleeping arrangements and room monitoring to protect athletes during overnight travel.

A. Mandatory Components

1. Observable and Interruptible

All In-Program Contact during lodging must be observable and interruptible unless an exception exists.

- a. Lodging arrangements covered under this policy include, but are not limited to, hotel stays, rentals (i.e., Airbnb, VRBO, HomeToGo, etc.), and long-term residential environments, including lodging at training sites and billeting.

2. Hotel Rooms and Other Sleeping Arrangements

- a. An Adult Participant cannot share a hotel room or otherwise sleep in the same room with a Minor Athlete(s), unless an exception exists **and** the Minor Athlete's parent/guardian has provided [**ORGANIZATION NAME**] or Adult Participant with advance, written consent for each specific lodging arrangement.
- b. Written consent from a Minor Athlete's parent/guardian must be obtained for all In-Program lodging at least annually.
- c. Minor Athlete(s) or their parent/guardian can withdraw consent at any time.

3. Monitoring or Room Checks During In-Program Travel

If [**ORGANIZATION NAME**] or team performs room checks during In-Program lodging, the one-on-one interaction policy must be followed and at least two adults must be present for the room checks.

4. Additional Requirements for Lodging Authorized or Funded by the Organization

Adult Participants that travel overnight with Minor Athlete(s) are assumed to have Authority over Minor Athlete(s) and thus must comply with the Education and Training policy outlined in Part II, unless the Adult Participant meets the Close-in-Age exception.

B. Recommended Components

Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for lodging arrangements under this policy.

PART III

RECOMMENDED POLICIES FOR KEEPING YOUNG ATHLETES SAFE

A. Out-of-Program Contact

Adult Participants, who do not meet the Close-in-Age Exception nor have a Dual Relationship with a Minor Athlete, should not have out-of-program contact with Minor Athlete(s) without legal/parent guardian consent, even if the out-of-program contact is not one-on-one.

B. Gifting

1. Adult Participants, who do not meet the Close-in-Age Exception nor have a Dual Relationship with a Minor Athlete, should not give personal gifts to Minor Athlete(s).
2. Gifts that are equally distributed to all athletes and serve a motivational or educational purpose are permitted.

C. Photography/Video

1. Photographs or videos of athletes may only be taken in public view and must observe generally accepted standards of decency.
2. Adult Participants should not publicly share or post photos or videos of Minor Athlete(s) if the Adult Participant has not obtained the parent/guardian and Minor Athlete's consent.
